Zydus Healthcare SA (Pty) Ltd (Registration number: 1998/014338/07) Trading as Zydus Healthcare SA (Pty) Ltd

Financial Statements for the year ended 31 December 2023

Directors' Responsibilities and Approval

The directors are required by the Companies Act of South Africa, 71 of 2008, to maintain adequate accounting records and are responsible for the content and integrity of the financial statements and related financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the company as at the end of the financial year ended 31 December 2023 and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities. The external auditors are engaged to express an independent opinion on the financial statements.

The financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entitles and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors have reviewed the company's cash flow forecast for the year to 31 December 2024 and, in the light of this review and the current financial position, they are satisfied that the company has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditors are responsible for independently auditing and reporting on the company's financial statements. The financial statements have been examined by the company's external auditors and their report is presented on page 6 - 7.

The financial statements set out on pages 9 to 22, which have been prepared on the going concern basis, were approved by the directors on 16 May 2024 and were signed on its behalf by:

Zydus Healthcare SA (Pty) Ltd (Registration number: 1998/014338/07)

Trading as Zydus Healthcare SA (Ptv) Ltd

Financial Statements for the year ended 31 December 2023

Directors' Report

The directors have pleasure in submitting their report on the financial statements of Zydus Healthcare SA (Pty) Ltd for the year ended 31 December 2023.

Nature of business

Zydus Healthcare SA (Pty) Ltd was incorporated in South Africa with interests in the pharmaceutical Industry. The company operates in South Africa.

Review of financial results and activities

The financial statements have been prepared in accordance with International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa, 71 of 2008. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the company are set out in these financial statements.

Share capital

There have been no changes to the authorised or issued share capital during the year under review.

Directors

The directors in office at the date of this report are as follows:

Directors IF Oliver	Changes
V Shiva	Resigned Wednesday, 17 May 2023
RS Suridarraj	Appointed Monday, 01 May 2023; resigned Wednesday, 13 December 2023
NY Shah	Resigned Thursday, 07 March 2024
A Dhaniraj	Appointed Thursday, 07 March 2024
T Meimanga	Appointed Thursday, 07 Merch 2024

5. Events after the reporting period

The directors are not aware of any material event which occurred after the reporting date and up to the date of this report.

6. Going concern

The directors believe that the company has adequate financial resources to continue in operation for the foreseeable future and accordingly the financial statements have been prepared on a going concern basis. The directors have satisfied themselves that the company is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The directors are not aware of any new material changes that may adversely impact the company. The directors are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the company.

7. Auditors

GNR Auditors will continue in office in accordance with section 90 of the Companies Act of South Africa, 71 of 2008.

Directors' Report

8. Secretary

The company had no secretary during the year.

The financial statements set out on pages 9 to 22, which have been prepared on the going concern basis, were approved by the directors on 16 May 2024, and were signed on its behalf by:

Independent Auditor's Report

To the Shareholder of Zydus Healthcare SA (Pty) Ltd

Opinion

We have audited the financial statements of Zydus Healthcare SA (Pty) Ltd (the company) set out on pages 9 to 22, which comprise the statement of financial position as at 31 December 2023, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the financial statements, including a summery of significant accounting pelicies.

in our opinion, the financial statements present fairly, in all material respects, the financial position of Zydus Healthcare SA (Pty) Ltd as at 31 December 2023, and its financial performance and cash flows for the year then ended in accordance with the international Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa, 71 of 2008.

Basis for Opinion

We conducted our sudit in accordance with international Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Independent Regulatory Board for Auditors' Cade of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have stiffled our audits in South Africa. The IRBA Code is a consistent with the corresponding sections of the International Efficience Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basic for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the document titled "Zydus Healthcare SA (Pty) Ltd financial statements for the year ended 31 December 2023", which includes the Directors' Report as required by the Companies Act of South Africa, 71 of 2008 and the supplementary information as set out on pages 23 to 24, which we obtained prior to the date of this report, and the Annual Report, which is expected to be made available to us after that date. The other information does not include the financial statements and our auditor's report thereon:

Our opinion on the financial statements does not cover the other information and we do not and will not express an audit opinion or any form

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in

Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with the international Financial Reporting Standard for Small and Medium-sized Entitles and the requirements of the Companies Act of South Africa, 71 of 2008, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to Iraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with international Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of usors taken on the basis of these financial statements.

As part of an audit in accordance with international Standards on Auditing, we exercise professional judgement and maintain professional scapticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, deelign and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from traud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cause to continue as a poing concern. or conditions may cause the company to gease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a marrier that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and liming of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Zydus Healthcare SA (Pty) Ltd

(Registration number: 1998/014338/07)
Trading as Zydus Healthcare SA (Pty) Ltd
Financial Statements for the year ended 31 December 2023

Accounting Policies

1. Basis of preparation and summary of significant accounting policies

The financial statements have been prepared on a going concern basis in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and the Companies Act of South Africa, 71 of 2008. The financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period except for otherwise mentioned.

1.1 Property, plant and equipment

Property, plant and equipment are tangible assets which the company holds for its own use for performing various business operations or for rental to others and which are expected to be used for more than one period.

Property, plant and equipment is initially measured at cost.

Cost includes costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

Expenditure incurred subsequently for major services, additions to or replacements of parts of property, plant and equipment are capitalised if it is probable that future economic benefits associated with the expenditure will flow to the company and the cost can be measured reliably. Day to day servicing costs are included in profit or loss in the period in which they are incurred.

Property, plant and equipment is subsequently stated at cost less accumulated depreciation and any accumulated impairment losses, except for land which is stated at cost less any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the company.

The useful lives of items of property, plant and equipment have been assessed as follows:

ltem	Depreciation method	Average useful life
Leasehold property	Straight fine	Over period of the lease
Furniture and fixtures	Straight line	6 years
Wotor vehicles	Straight line	5 years
Office equipment	Straight line	6 years
IT equipment	Straight line	3 years

When indicators are present that the useful lives and residual values of items of property, plant and equipment have changed since the most recent annual reporting date, they are reassessed. Any changes are accounted for prospectively as a change in accounting estimate.

Impairment tests are performed on property, plant and equipment when there is an indicator that they may be impaired. When the carrying amount of an item of property, plant and equipment is assessed to be higher than the estimated recoverable amount, an impairment loss is recognised immediately in profit or loss to bring the carrying amount in line with the recoverable amount.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from the derecognition of an item of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, is included in profit or loss when the item is derecognised.

1.2 Investments in subsidiaries

Investments in subsidiaries are measured at cost.

Zydus Healthcare SA (Pty) Ltd

(Registration number: 1998/014338/07)
Trading as Zydus Healthcare SA (Pty) Ltd
Financial Statements for the year ended 31 December 2023

Accounting Policies

1.3 Financial instruments

initial measurement

Financial instruments are initially measured at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through profit or loss) unless the arrangement constitutes, in effect, a financing transaction in which case it is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial instruments at amortised cost

These include loans, trade receivables and trade payables. Those debt instruments which meet the criteria, are subsequently measured at amortised cost using the effective interest method. Debt instruments which are classified as current assets or current liabilities are measured at the undiscounted amount of the cash expected to be received or paid, unless the arrangement effectively constitutes a financing transaction.

At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If there is objective evidence, the recoverable amount is estimated and compared with the carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

1.4 Tax

Current tax assets and liabilities

Current tax for current and prior periods is, to the extent unpaid, recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognised as an asset.

The tax liability reflects the effect of the possible outcomes of a review by the tax authorities.

Deferred tax assets and liabilities

A deferred tax liability is recognised for all taxable temporary differences.

A deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised:

Deferred tax asset is recognised for the carry forward of unused tax losses.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Tax expenses

Tax expense is recognised in the same component of total comprehensive income or equity as the transaction or other event that resulted in the tax expense.

1.5 Inventories

Inventories are measured at the lower of cost and estimated selling price less costs to complete and sell, on the weighted average cost basis.

1.6 Impairment of assets

The company assesses at each reporting date whether there is any indication that any other assets may be impaired.

If there is any such indication, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

Zydus Healthcare SA (Pty) Ltd

(Registration number: 1998/014338/07) Trading as Zydus Healthcare SA (Pty) Ltd

Financial Statements for the year ended 31 December 2023

Accounting Policies

1.6 Impairment of assets (continued)

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (or group of assets) in prior years. A reversal of impairment is recognised immediately in profit or loss.

1.7 Share capital and equity

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its

Ordinary shares are recognised at par value and classified as 'share capital' in equity. Any amounts received from the issue of shares in excess of par value is classified as 'share premium' in equity. Dividends are recognised as a liability in the year in which they are declared.

1.8 Provisions and contingencies

Provisions are recognised when the company has an obligation at the reporting date as a result of a past event, it is probable that the company will be required to transfer economic benefits in settlement, and the amount of the obligation can be estimated reliably.

Provisions are measured at the present value of the amount expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to the passage of time is recognised as interest expense.

Provisions are not recognised for future operating losses.

1.9 Revenue

Revenue is recognised to the extent that the company has transferred the significant risks and rewards of ownership of goods to the buyer, or has rendered services under an agreement provided the amount of revenue can be measured reliably and it is probable that economic benefits associated with the transaction will flow to the company. Revenue is measured at the fair value of the consideration received or receivable, excluding VAT.

Interest is recognised, in profit or loss, using the effective interest rate method,

1.10 Other liability

Zydus Healthcare SA (Pty) Ltd (Distributor) has entered into supply and distribution agreement with Zydus Lifesciences Limited (ultimate holding company)(Principal).

The agreement stipulates that the price of the products supplied to the distributor by the principal shall be readjusted on a quartely basis to bring the EBITA of the distributor in line with the arm's length margin earned by comparable uncontrolled companies in the territory of the distributor,

The adjustment to be made in the form of overall price (True up) will be worked out mutually in order to maintain the EBITA outcome for the distributor to be within the range of comparable companies in a manner which satisfies the arm's length criteria under the transfer pricing regulations of both India and South Africa.
